¹ School Health is a new cost center created in FY 2005 to more accurately capture all costs associated with providing school health-related services. It includes all positions previously shown as Clinic Room Aides and Public Health Nurses for school clinics and includes one administrative and three supervisory nurse positions not previously shown before FY 2005. Also included for the first time in FY 2005 is funding associated with the Medically Fragile Student Program.

² This includes Local Cash Match funding for Federal Head Start and Early Head Start for the Higher Horizons, Gum Springs and Schools' Contracts.

³ This category includes two after school programs, Club 78 and the After School Program, at Fairfax County Middle Schools that provide diversified educational, social, and cultural opportunities in a supervised environment. Partial-year funding for both programs was approved by the Board of Supervisors in FY 2006 including a net of \$161,154 for Club 78 and \$1,107,909 for the After School Program. FY 2007 funding increases to \$273,661 and \$3,492,114 respectively.

⁴ Prior to the FY 2006 Adopted Budget Plan, this category included athletic field lighting, maintenance and other upgrade requirements. In FY 2006, only the cost of athletic field lighting is reflected here. All other FCPS-related field improvement funding is managed by, and shown under, the Fairfax County Park Authority.
